## MCKINNEY.

William Dudderar and William Dunn can have taken the contract to paint the county bridge of Lincoln.

While handling an old pistol, "Bear" Alcorn, colored, accidentally shot himself through the hand and thigh.

In the magistrate's court here last Saturday Mac Walls and Chas. Brown were each fined \$20 and costs for shooting craps. This should be a warning to all who indulge in such nefarious practices.

The candy pulling given Saturday evening on Dr. Singleton's lawn for the benefit of the Baptist church was a success socially and financially. Such functions as these are commendable and inspire an interest in the work of the Master.

School began Monday with a good attendance. Mr. Hubble, the instructor, has started in with the intention of holding the pupils down to business with the ironclad method and he should have the commendation of every parent and trustee in his determination.

There will be prayer meeting at the Christian church next Wednesday night and each Wednesday night following, alternately at the Baptist and Christian churches. Everybody should take an interest in these services and consider it a special privilege and duty to attend regularly.

An excursion party is being formed by the young people of this community to go to Mammoth Cave on the 30th. There are a few old maid and bachelors on the list but the party for the most part is made up of the younger set. The chaperons have not been selected yet but Dame Rumor says an old widower and an old maid will be given the honor and the gay party hopes before returning to be made a participant in a happy honey-moon as a result.

Miss Alma Hubble, who has been on an extended visit to relatives at Euclid, Woodstock and Science Hill, has returned home. Miss Alice Gooch, who has been quite ill, has sufficiently recovered to be out. Misses Etta Gooch and Pearl Klipp, of Somerset, are visiting Dr. Singleton and family. Miss Mollie Goode, of Lexington, is the guest of Miss Archie Coffey. C. H. Gooch, Somerset's clever policeman, visited his sister, Misses Alice and Belle Gooch. Charles Rankin, of Hubble, was the guest of Miss Ellie Drye.

## MATRIMONIAL.

Count Boni de Castellane has filed suit in Paris for such revision of the decree of divorce obtained against him by his wife, who was Miss Anna Gould, as will give him custody of his children.

The Ohio Circuit Court reversed the Common Pleas Court in the Maiden divorce case and holds that the turfman need not continue to pay alimony to his former wife, who is now Mrs. Louis V. Bell.

Judge and Mrs. Charles C. Fox, of Danville, have announced the engagement of their daughter, Miss Anna Belle Fox, to Mr. Hugh Berry Fleece, of Louisville. The wedding is to take place early this fall.

## A Revelation.

It is a revelation to people, the severe cases of lung trouble that have been cured by Foley's Honey and Tar. It not only stops the cough but heals and strengthens the lungs. L. M. Ruggles, Keasnor, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bullet. Stanford Drug Co.

Charles S. King, of Fort Wayne, Ind., his wife and two daughters, Carl Timmins, the chauffeur, and Miss Fayme Bradshaw were killed in an automobile accident by being struck by a train on the Pennsylvania road. The party was in Mr. King's automobile and was going from Fort Wayne to Lake Wawasee to spend Sunday. Mr. King was agent for the Prudential Life Insurance Co. and formerly was a member of the Indiana Legislature from Wabash county.

## Best The World Affords.

"It gives me unbounded pleasure to recommend Buckle's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced it is the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25¢ at Penny's Drug Store.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather. Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by Penny's Drug Store.

Damage suits aggregating \$950,000 have been filed at Pittsburg against the Pittsburg Coal Company as a result of the Darr mine explosion on December 19, 1907, when about 300 lives were lost.

## A GREAT MEETING

### Was that of the Crab Orchard Fair & Racing Association.

The Crab Orchard Fair & Racing Association's meeting came to an end in a blaze of glory Friday afternoon. Another good crowd was present, making the attendance this year probably the largest in the history of the Association. Splendid order was preserved throughout. The show of stock the last day was excellent. All of the rings were hotly contested and the horse that wore a blue tie was good enough for any class. Tired of staying in the county jail at Frankfort, thinking it would be better in the fresh air, Dan Trout and Paul Phelps, two men charged with moonshining, pried open the door of the jail and walked away. They did not even wait until dark, but left the jail at 1:30 o'clock. In the afternoon when the streets were crowded with the usual Saturday afternoon rush.

### DEMOCRATIC TICKET.

#### For Congress

#### HARVEY HELM

of Lincoln county.

THE platform of the Tennessee democrats indorse the national nominees and platform without equivocation, and pledges the electoral vote of Tennessee to Bryan and Kern. On the liquor question it takes the position that there shall be no backward step, and that the laws shall be extended to cover cities not now under their operations whenever the people of the cities affected so declare at the ballot box. Another clause favors the revocation of license whenever the present laws are violated. Another plank urges that all executions take place in secret in the main prison at Nashville. It is also suggested that more good time be allowed convicts working in the State mines; that provision be made for taking care of disabled convicts; that a convict parole system be established, and that a tuberculosis hospital be erected at the main prison.

PRESIDENT SAMUEL GOMPERS, of the American Federation of Labor, says he sent no dispatch to W. R. Hearst urging the editor to use his influence to prevent the league from nominating its own candidate for President, and to urge the league to give its support to William J. Bryan, because the Denver Convention incorporated in its platform planks urged by organized labor. Mr. Hearst claims that he got such a dispatch and proceeded to answer it in his papers. There seems to be a story out but the question is, who told it?

THE first appeal for campaign contributions by the Democratic candidates for the presidency and vice presidency was made last week. In a formal message directed to the farmers of the country, Messrs. Bryan and Kern urge them to contribute according to their means and in other ways assist in restoring democracy to power.

DEMOCRATS at Washington are pleased with the news that Gov. Hughes will be a candidate for re-election, believing it will increase the democratic prospects of success in New York. They were also pleased to learn that Mr. Sherman will retire from the Congressional Committee because of his ill health.

'THE letter of Ex-Gov. Simon Bolivar Buckner to Gov. Wilson congratulating him on pardoning Powers and Howard and declaring those men innocent is absolutely sickening. Mr. Buckner is badly in his dotage and little consideration should be given what he says or does.

A RACE is on between the Louisville Courier-Journal and the Herald as to which can produce the hottest whisky editorials. Both papers are doing valiant service for the whisky and beer trusts and doubtless they are getting big pay for their work.

THE Social Labor Party's nominee for the Presidency is serving a sentence of 25 years for murder. He will get out years and years before he is elected chief executive of these United States.

THE republicans, it is said, will make a bid for votes this fall by increasing the school per capita to \$3.45. They seem to forget that there is no money in the treasury.

### POLITICAL.

The defeat of a Taft man for mayor of Walla Walla, Washington, a republican stronghold, was the cause of much jubilation at Fairview.

Arthur L. Vorys, manager of the Taft campaign in Ohio, issued a statement in which he says he will take no part in the senatorial race in that State.

President Roosevelt has refused an offer to make speeches into the receiver of a talking machine for the purpose of making records for public sale.

William J. Bryan delivered an address to a visiting delegation of several hundred people, made up of teachers and pupils of the Fremont, Neb., Normal school.

Col H. G. Catrow, of Miamisburg, O., has withdrawn from the race for congress because his automobile ran over and killed a man. He was the republican nominee.

The Democratic Executive Committee of the Eleventh Congressional district has called a convention to be held at London on August 4 for the purpose of nominating a candidate for Congress.

The Prohibition National Convention at Columbus, O., adjourned after adopting probably the briefest platform on record and nominating Eugene W. Chaffin, of Illinois, for President, and Aaron S. Watkins, of Ohio, for Vice President.

It is announced that the Kern notification meeting will be held at Indianapolis early in September and will be attended by Mr. Bryan, who will on that occasion make the only speech he will make in Indiana during the campaign.

Ollie James was at Fairview last week discussing with Mr. Bryan the acceptance of the chairmanship of the National Committee. Mr. James has been urged by the Democratic leader to accept the post, but is not himself inclined to take up the work, preferring to take the stump during the campaign.

Henry R. Prewitt, chairman, has issued a call for a meeting of the Democratic State Committee to be held in Louisville Wednesday, July 29, at 12 o'clock, for the purpose of electing a secretary, appointing a campaign committee and transacting any other business which may come before that body.

There are two candidates for secretary, G. G. Speer, of Lawrenceburg, and R. G. Phillips, of Elizabethtown.

IMPROVEMENTS BEGUN IN EARNEST IN DANVILLE.—On Tuesday, July 28, at 2 p. m., 35 beautiful lots, with concrete walks and streets McAdamized and rolled in the most modern manner, will be sold at public auction without reserve or by bid. One good lot will be given absolutely free upon the following conditions: Every white man and woman attending the sale and registering their names with the clerk, free of cost, will be given a ticket entitling them to a chance on the lot. The lucky number will be drawn in the presence of the gathered crowd, immediately at the conclusion of the sale. These lots located on beautiful Alta Avenue, one of the most desirable resident districts of this rapidly growing town, offer a rare opportunity to the investor and home-seeker alike. All property in Danville has gradually increased in price for the past 20 years and there is not a vacant house in the town. Yet there are hundreds of people seeking homes at high rentals. Great care has been exercised in the preparation of these lots for sale in the hope of interesting the best class in the best part of town. Come and bring your friends and register. It costs you nothing and you may be the lucky one. Free band concerts throughout the sale. Danville is the home of Central University and Caldwell College, two of the greatest institutions of learning in the State.
